November Birthdays

- | | |
|--------------------------------|---------------------|
| 1. Han Win Thant (Year-1) | <i>November .3</i> |
| 2. Hsu Myat Pyae Sone (Year-1) | <i>November .14</i> |
| 3. Khit Nandar Htet (Year-4) | <i>November .18</i> |
| 4. Khant Lin Thant (Year-1) | <i>November .20</i> |
| 5. Myo Gone Htal War (Year-1) | <i>November .24</i> |
| 6. Lynn Myat Thar (Year-1) | <i>November .30</i> |

The first few months of school at ISE has been great. The students are learning to ask questions and think for themselves. They went on field trips to the zoo to learn about animal behavior and adaptations. They also went to Thilawa Special Economic Zone to learn about how things are made in factories and international trade. Students also learned to sell food items during business week and learned about money exchange. We had a lot of fun testing out different science concepts. Some highlights are on the next page.

We celebrated Thadingyut festival at the end of October, making paper lanterns, writing stories and learning about the importance of paying respects to teachers and parents per Myanmar tradition. In November, we will learn about American Thanksgiving Day and learn about how Native Americans shared food with the Pilgrims (English colonists) which helped them survive. We will learn to be thankful for what we have and create a Tree of Thanks with students writing what they are thankful for on different color leaves.

Thank you to all our families for helping us open the school successfully. We will continue to try our best to provide the best education to our students.

Fun with Science !

The human body

Home made Telephone

Making Electricity

Planting in soil & in water (hydroponics)

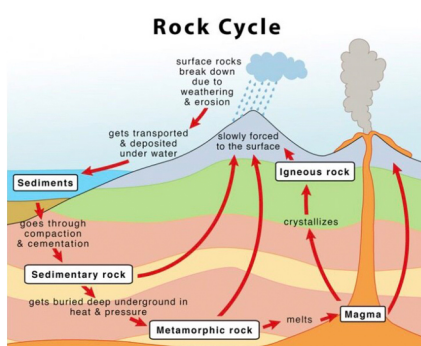

Heart Rate, Pulse & Pressure

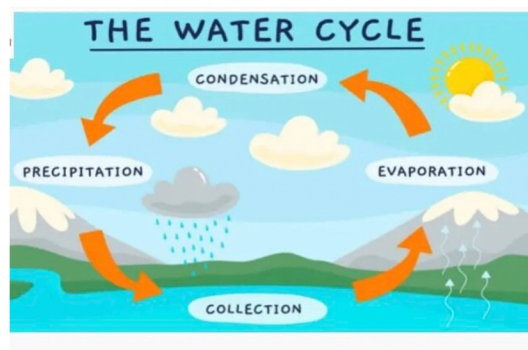

We love cycles!

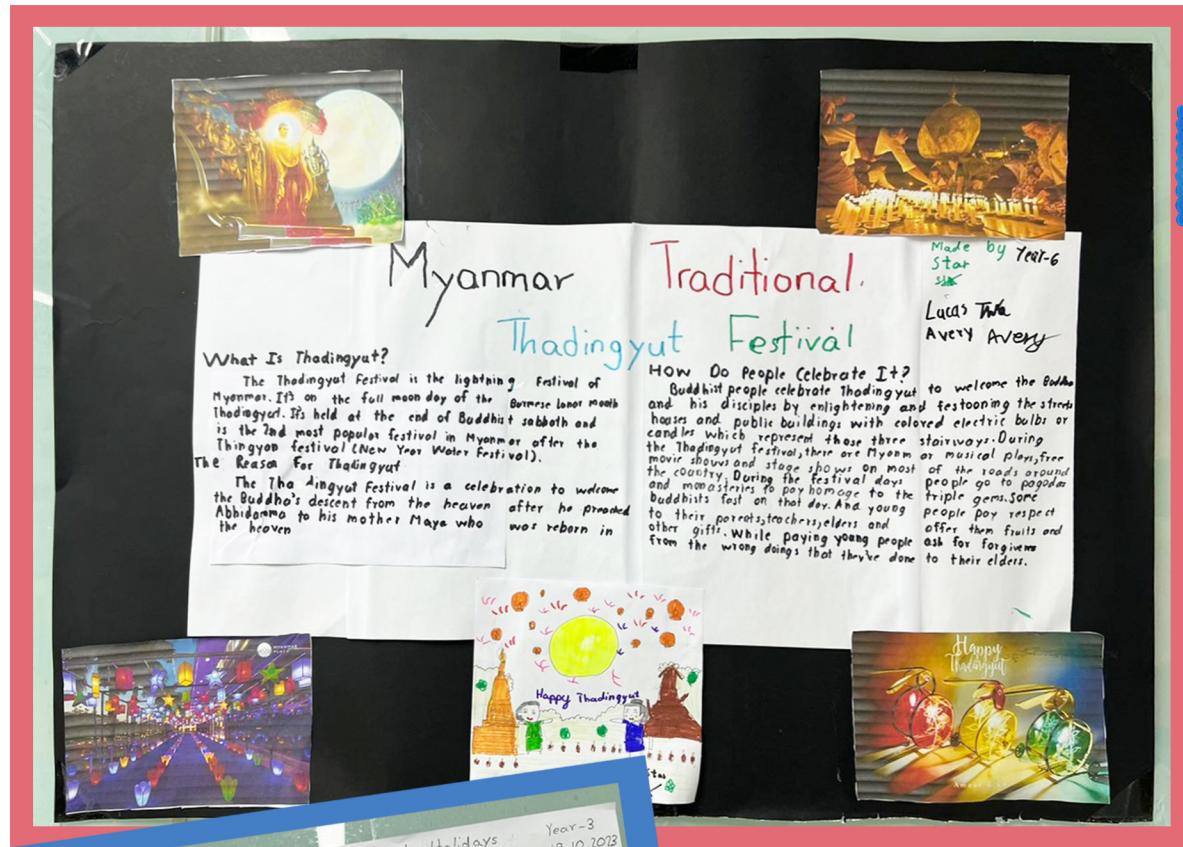

Rock cycle

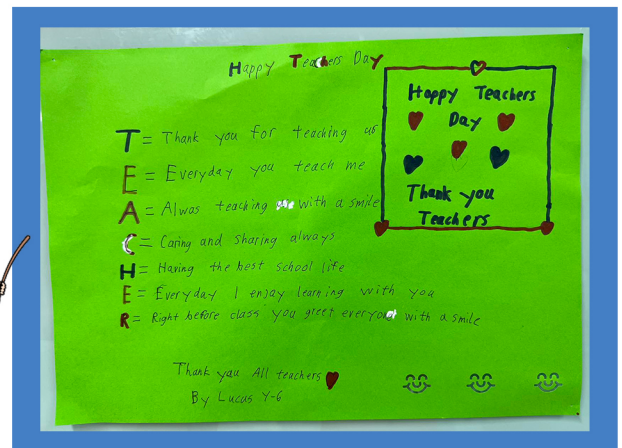

Water cycle

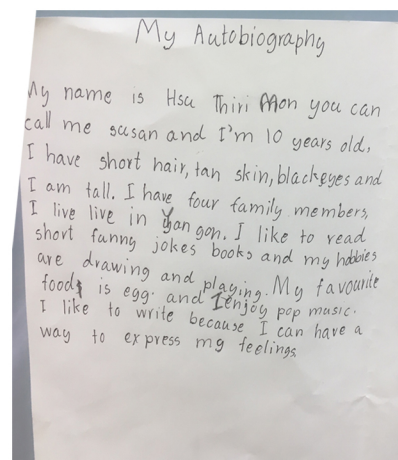

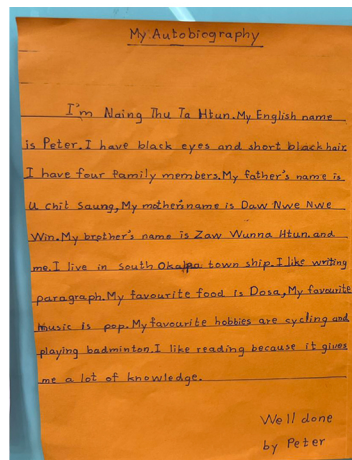

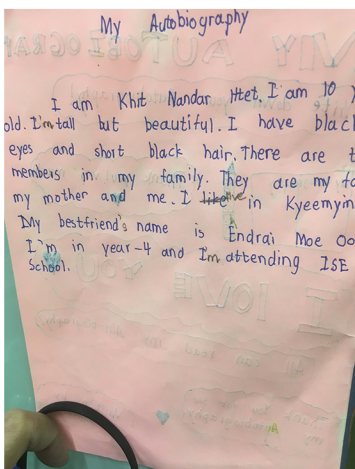

Happy Thadingyut !

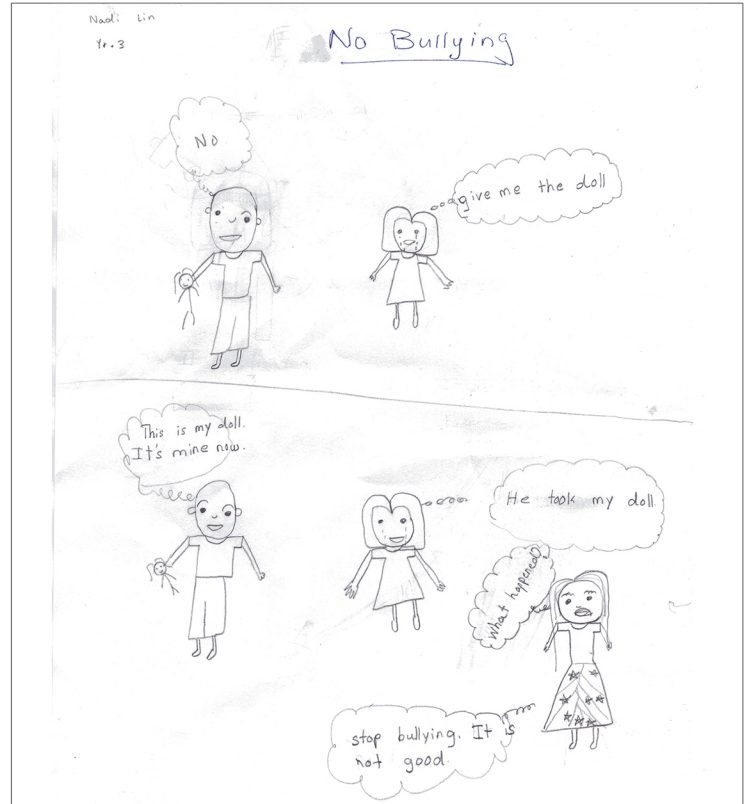

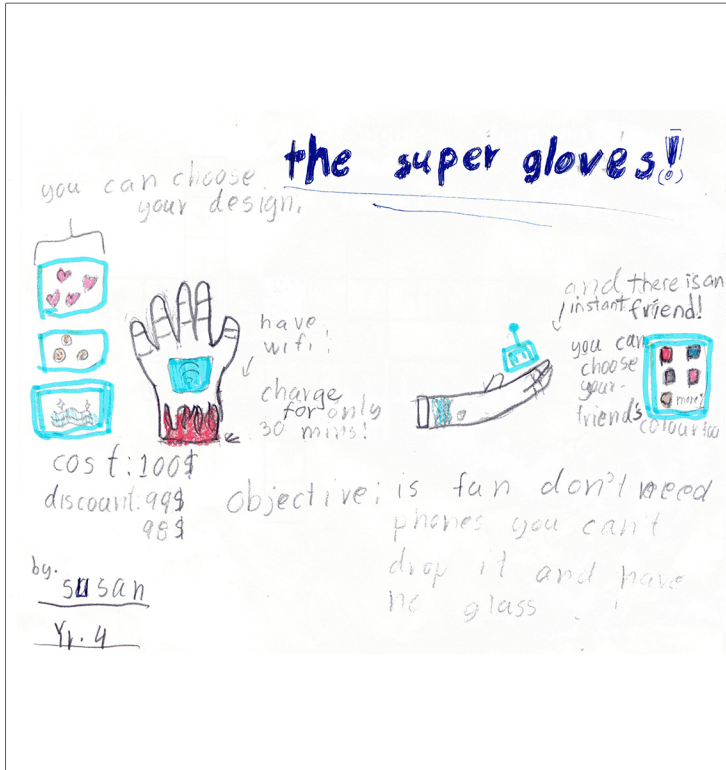

Happy Teachers' Day

Autobiography

Imagination

Joke Corner

Q: What is a snake's favorite subject?

A: Hisssssstory !!!

Q: Why did the dog do so well in school?

A: Because he's the teacher's pet.

Q: What do you need to go to high school?

A: A ladder.

Q: What do elves learn at school?

A: The elf-a-bet

Q: Why did the teacher draw on the window?

A: Because he wanted his lessons to be very clear.
